Subpoena Duces Tecum to Ohio Department of Health**

Dear Mr. Rice;

The Department of Health will shortly be transmitting the fourth batch of approximately 865 pages of materials responsive to your subpoena. These will come in the same manner as the previous batches via secure email from Mr. Wakley. The Department believes these documents are potentially responsive to the requests enumerated in your subpoena as listed below:

Item 9	Item 17
Item 10	Item 18
Item 14	Item 21
Item 15	Item 27

As Mr. Wakley communicated to you yesterday, the Department will continue to gather potentially responsive records and provide them to you on a rolling basis in a good faith effort to comply with the current subpoena.

Sincerely,

/s/ Yvonne Tertel
